### **Pro2Serve Announces Key Promotion**

Oak Ridge, Tennessee, March 23, 2007- Pro2Serve Professional Project Services, Inc. (Pro2Serve), announces the promotion of Raymond K. Alexander to Vice President and Manager of its Engineering Division.

A licensed Professional Engineer in Tennessee and Alabama, Mr. Alexander joined Pro2Serve in 2006 as Director of Design. He has more than 30 years of experience in engineering, design, and construction. He is the former Manager of Nuclear Corporate Engineering Design for the Tennessee Valley Authority (TVA) where he spent 26 years.

In addition to his civilian career, Mr. Alexander is still active in the Navy Reserve, where he has achieved the rank of Rear Admiral and is serving as the Deputy Chief of Civil Engineers and Deputy Commander for Contingency Engineering. He recently returned from service in Iraq where he commanded the First Marine Expeditionary Force Engineer Group comprised of 2000 Army, Navy, and Marine Engineers, and served as the reconstruction manager for the City of Fallujah as well as the Al Anbar province.

Pro2Serve ([www.p2s.com](http://www.p2s.com)) is a nationally-recognized technical and engineering services firm dedicated to providing critical infrastructure engineering services in support of our Nation's security. Pro2Serve provides innovative solutions to government and private industry on critical security, defense, facilities and infrastructure, nuclear nonproliferation, and environmental projects. *Engineering News-Record* named Pro2Serve as the 242<sup>nd</sup> largest design firm and the 15<sup>th</sup> largest manufacturing design firm in the nation for 2006. It was the only East Tennessee headquartered firm to make the list. Pro2Serve is also a two-time alumnus of the *Inc. 500*, a listing of the 500 fastest growing privately held companies in the United States. In addition to Tennessee, Pro2Serve has offices in South Carolina, Texas, New Mexico, Nevada, and Ohio.
