L. Barry Goss, Ph.D.
Chairman & CEO
Pro2Serve
1100 Bethel Valley Road
Oak Ridge TN 37830

Dear Dr. Goss:

I wish to thank you and your colleagues for the generous contribution of \$5,000.00 to Roane Imagination Library. Your continued support is greatly appreciated.

By using your gift as a challenge to the rest of the community we have generated more the \$10,000.00 additional funds from local contributors. Everyone loves a good deal and you made that possible.

Roane Imagination Library is all about putting books in the hands of children. I am pleased to report today's news. In November, 2,188 children will receive a new book in the mail. That is 92% of the eligible population and a new record for Roane County. Your support over the years has allowed us to focus on enrolling children and not worrying about having the funds to pay for each additional enrollment.

Together we are making a difference in our community. "Kids Count 2017", a report by the Annie E. Casey Foundation cited an improvement in education, health and economic well-being, placing Tennessee 35th in the nation. Eight years ago, we were ranked 44th. In addressing the state's improved education ranking, the report highlighted Governor's Book from Birth Foundation (the state's organization for Imagination Library) among the initiatives having a positive impact on the children.

Most Sincerely,

M. Jill McMaster
Coordinator
