SBA Mentor-Protégé

SAMES-Pro2Serve LLC
(SAMES-Pro2Serve) is a joint venture pursuant to a formal All-Small Mentor-Protégé Agreement approved by the U.S. Small Business Administration (SBA) and is a registered SBA **8(a)** and **HUBZone** Small Business.
UEI #DBSVDUBRENV9

Approach

- Mature Title I, II, and III Architectural and Engineering (A-E) design
- Speciality construction experience
- Owner's representative level of support

Locations

- McAllen, TX (Home Office)
- Oak Ridge, TN (Home Office)
- Additional locations across the United States, including Los Alamos and Albuquerque, NM

We work with private and public clients, and can provide cleared A-E/construction disciplines and storage of Unclassified Controlled Nuclear Information (UCNI) materials.

We offer a proven record of providing **first-class project and construction management services** for all project phases, and qualified key personnel and reachback to handle expansion or acceleration of scope.

Better Together

SAMES-Pro2Serve truly offers a classic example of firms with supporting strengths coming together to present a more effective and expansive management and delivery structure in pursuit of maximizing project satisfaction.

Construction

1. Commercial
2. General Contracting
3. Construction Management
4. Heavy & Highway Construction

Surveying & Mapping

1. Boundary & Topographical
2. Utility & Right-of-way Mapping
3. American Land Title Association Surveys
4. Aerial Photography, Mapping, & LiDAR (Drone)

Facilities and Infrastructure A-E

1. Utilities Design
2. Cost Estimating & Scheduling
3. Building Information Modeling
4. Test Engineering & Commissioning

Vertical Construction

1. Office, Warehouse, General Use
2. Data Centers, Labs, Nuclear Storage
3. Renovation/Retrofit, Decontamination & Demolition, Waste Management

Critical Building Systems

1. Redundant Systems
2. Natural Phenomena Hazard Analysis
3. Speciality Facilities Deactivation & Consolidation

Engineering Design-Build Construction

Construction Management Services
